Business *can* be simple

# SIMPLE DESIGN MAXIMUM VALUE

Making business efficiency affordable

## Highlights

- Up to 20/22ppm (A4) Print/Copy Speeds
- Remote Color Scan Enabled (Pull/Push)
- Quick Warm-up Time
- Network Print (Only for Standard Models)
- Up to 100 Department ID Management (Only for Standard Models)
- Mobile Printing Compatible (Only for Standard Models)
- Energy Efficient

## More Performance Value, Less Investment Outlay

The new imageRUNNER 2202N/2002N (standard models) and the imageRUNNER 2002 (entry model) comes packed with essential features that rules today's business efficiency.

Do More Work Less by improving productivity with an array of features such as network connectivity, Remote Scan and Mobile Print which allows you to focus your time and energy on more important business. Also, track your device usage and avoid unnecessary costs. Canon's energy saving technology ensures that you keep a low environmental footprint and minimize your energy cost.

The imageRUNNER 2202N/2002N/2002 series is a great size for your compact office, at a low cost. Eliminate extra costs incurred with the imageRUNNER 2202N/2002N/2002 series to consolidate printing, copying and scanning into just one device.

## NETWORK CONNECTIVITY, IMPROVED WORKFLOW

The imageRUNNER 2202N/2002N also come with built-in network interface allowing multiple users connected to the same network to share the device for print and scan functions. Scanning is simpler than ever before with Push Scan function where you can scan documents directly from the device and retrieve the files at your computer.

## CONVENIENT SCANNING, MULTIPLE FILE FORMATS

Streamline your document workflow using the MF Toolbox application. Scan, store and share your documents (monochrome or color) in various file formats, including Compact PDF, which minimize your network load with its smaller file size. Or choose to save your documents in Searchable PDF format and effortlessly perform word searches on your document content.

## GREATER MOBILITY, BOOST CONVENIENCE

The network-ready imageRUNNER 2202N/2002N offers you the convenience to integrate wireless printing on your iOS or Android mobile devices, via the complimentary Canon Mobile Print App and print-on-the-go. The smart app allows you to easily print a variety of file types with various print options to suit your needs, such as varying paper sizes or multiple copies.

## SIMPLICITY AT ITS BEST

**STANDARD MODEL iR 2202N/2002N**

Conveniently switch between the Copy and Scan functions

Effortless operation with an easy to use and view 5-line LCD display

Copy 2-sided materials hassle-free

Alternate between accessing pre-set copy tasks and ID Card copy at the single touch of a button

Allows for easy Log in and Log out with your Department ID

Device enters Sleep Mode on demand to conserve power

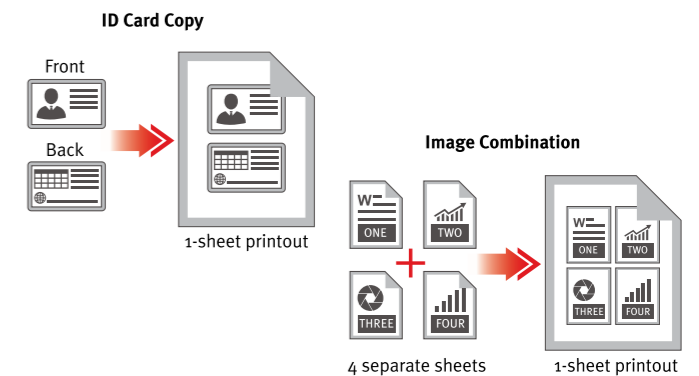

Quick overview of the total usage of device

0003	360/800	250/400	210/400

## IMPROVED CONTROL, BETTER RESOURCE MANAGEMENT

Track your device usage with Department ID Management on the standard models, where login is needed to access the job functions. With this feature, you can predetermine different limits for individual departments. Device usage can be better managed through understanding copy and print outputs to better control your overheads.

## ID CARD COPY, IMAGE COMBINATION

Improve efficiency with the ID Card Copy function that scans both sides of a card and have it printed out on a single page without the need to manually re-position the card or the paper. Save paper usage with the Image Combination function. Combine multiple page (up to 4 pages) documents into one single page.

## HIGH PERFORMANCE, HIGH PRODUCTIVITY

Reduce paper usage and filing space with the optional duplex unit available on the standard models. Additionally, to make duplex copying and scanning a breeze, you can opt for the Duplex Auto Document Feeder. Take your business productivity up a notch and maintain uptime with the optional 250-sheet paper cassette without the need to load paper as often on the standard models.

## QUICK WARM-UP TIME, LOW ENERGY CONSUMPTION

With the On-Demand Fixing technology, the imageRUNNER 2202N/2002N/2002 consumes minimal power when not in use. When needed, it can be ready in less than 3 seconds. Coupled with a low-melting point in toner, the new series boasts low power consumption and a low TEC value of 1.18kWh. Maximise the performance of your device with Canon's genuine toner and long life drum technology while producing high quality printouts.
