HP Officejet J3608 All-in-One

Print vivid colours, get fade-resistant faxes and communicate easily with the built-in phone – all from one compact all-in-one.

Product pointers

- Stay productive with full colour fax features together with built-in phone, print, copy and scan functions, all in a single device. Enjoy fast print and copy speeds at up to 20 ppm black, 14 ppm colour.
- Easily manage your fax communications with convenient and fax features. Send and receive documents at speed up to 3 seconds/page and 300 dpi resolution. Prevent missed or lost faxes with the 200-page memory function[1]. Access frequently dialed numbers quickly with 100-number speed-dial memory.
- Together with Original HP ink and paper, you can print and archive laser-quality text and faxes that will retain their black text and colour quality for decades without fading[2].

[1] Based on ITU-T Test Image #1 at standard resolution. More complicated pages or higher resolution may reduce number of pages stored in memory.

[2] Based on paper industry predictions for acid-free papers; colourant stability data at room temperature based on similar systems tested as per ISO 11798 and ISO 18909.
